Preliminary question though

Attorney Client / Ex. 5

Attorney Client / Ex. 5

Has anyone checked? Or is anyone currently checking? Or planning to check and by when?

Hi all,

There were some last minute additions to our briefing paper, so here it is. The first 3 pages are the highlights and major points, while the rest provide a more detailed, scientific rationale that we can discuss. Thanks so much to Mike Cox for generating this, even though he can't join us today, and Cheryl, Ben and Rochelle for their scientific analyses.
